

China Computer Forensics Conference & Exhibition 2009

6-8 December 2009 | CTS Hotel | Beijing, China

The venue for the 5th Annual China Computer Forensics Conference & Exhibition 2009 is the CTS Hotel. The CCFC 2009 organizers have arranged special room rates with the CTS Hotel.

The room options and rates are as follows:

Standard Twin Room: RMB 450 (US\$ 70.00) per day (includes breakfast)

Standard King Room: RMB 450 (US\$ 70.00) per day (includes breakfast)

Business Twin Room: RMB 550 (US\$ 85.00) per day (includes breakfast)

Business King Room: RMB 550 (US\$ 85.00) per day (includes breakfast)

Deluxe King Room: RMB 700 (US\$ 105.00) per day (includes breakfast)

Deluxe King Suite: RMB 850 (US\$ 130.00) per day (includes breakfast)

Please note the US\$ amounts are approximate amounts that may change slightly based upon the exchange rate in December.

There are several other hotels in Beijing to choose from; however, we suggest all participants stay in the conference hotel as traffic in Beijing is atrocious. You will enjoy yourself a lot more if you are not sitting in a taxi for 45-90 minutes a day.
